Luxury spaces to
work and connect

The Quad One Station Hill is a luxury flexible workspace in the brand new One Station Hill in Reading.

The Quad's unique, holistic approach to workspace focuses on giving its members the flexibility, support and confidence to enhance their business and watch it thrive.

With an array of beautifully designed private offices, coworking spaces, meeting rooms, breakout spaces, a membership lounge, and much more, The Quad is an inspiring place to work.

The Quad One Station Hill provides premium small and medium sized office space and, unlike many flexible workspaces, large corporate office space with private kitchens and breakout spaces.

Located opposite Reading train station, The Quad One Station Hill is a high-tech brand-new development set over two stories within a 15 story building.

At One Station Hill you can immerse yourself in the latest rooftop fitness & yoga classes and cocktail lounges.
